Cocktails

Ask your Bartender on preferred sweetness or sour....

Liquorish Jewel 90

Fresh liquorish shaken with Havana Rum, lemon juice, strawberries and Honey. Garnished with a liquorish pipe. Altogether lovely Danish stuff

Moscow Mule 75

This Classic combination was born in 1941, John G. Martin of the Cock'n'Bull Saloon. With his own brand of ginger beer came up with the Vodka lime and ginger beer mix.

7 Senses 85

Kumquats muddled with fresh lemon juice, orange bitters, orange juice and Cuarenta Y Tres. A new cocktail invented here in BAR 7, which combines sour and sweet in a perfect mix. A must try for everyone.

Mint Julep 80

A mint julep is traditionally made of four ingredients: mint, bourbon, sugar and water. In the use of sugar and mint, it is similar to the mojito. In preparing a mint julep, a fresh mint sprig is used primarily as a garnish, to introduce the flavor and aroma through the nose.

Sober Monk 75

Absolut Vodka stirred with fresh mint, fresh limes, sugar and lemonade. A twist on the favourite mojito.....!!!!!!!!!!!!!!

Bubble Gum Martini 85

Havana Rum shaken with cranberry juice, fresh lemon juice, egg white and lots of bubble gum flavour.

Apple Jack 85

Cognac V.S shaken with fresh apple puree, elderflower syrup and a dash of orange bitters. All these flavours will unhide the character behind the Cognac.

Passion & Ginger 85

Absolut Vodka Shaken with fresh Ginger, passion fruit puree & honey

Danish Berry 90

The key to these drinks is that they are not sickly sweet, well at least they shouldn't be. Unfortunately the classic lime Daiquiri is very hard to find, and many times if you order just a "Daiquiri" at a bar you'll get a bright red, horribly sweet, strawberry slushy. This is because most bartenders assume that the Strawberry Daiquiri is the only Daiquiri.

Beefeater Crushed 85

Beefeater gin smashed together with fresh Kumquats, lime juice & golden honey.... Better than Mojito on a summer day or night...

Honey Moon 85

Absolut Vodka shaken with strawberries, fresh mint, lime juice and a huge dollop of Honey. Altogether an elegant cocktail.

Earl Grey Martini 90

Fresh Earl Grey Tea shaken with beefeater Gin, lemon juice and raspberry dust.

Blueberry Bitch 85

Fresh blue berries muddled together with Lemons and lashings of Absolut Vodka and topped with Lychee juice.....

Raspberry Duck 85

Rum based cocktail muddled with Fresh Lime, fresh Raspberries frozen dried topped with sparkling wine.

Tender Lotus 85

Absolut Vodka shaken with fresh Ginger, lychee's Sugar & lychee juice.

Sexy Bum 85

Absolut Vodka & Beefeater gin shaken with Sugar lime & passion fruit puree...

Classic cocktails

Mojito 100

The Mojito was a favorite drink of author Ernest Hemingway. Ernest Hemingway made the bar called La Bodeguita del medio famous as he became one of its regulars and wrote on the wall "Mi mojito en la Bodeguita" (My mojito at the Bodeguita). This expression can still be read on the wall of the bar today, in his handwriting.

Bubble Gum Mojito 90

Daiquiri 90

Originally the drink was served in a tall glass packed with cracked ice. A teaspoon of sugar was poured over the ice and the juice of one or two limes was squeezed over the sugar. Two or three ounces of rum completed the mixture. The glass was then frosted by stirring with a long-handled spoon.

Lychee Piña colada 75

The Piña Colada was introduced on August 16, 1954 at the Caribe Hilton's Beachcomber Bar in San Juan, Puerto Rico by its alleged creator, Ramon "Monchito" Marrero. Apparently, the hotel management had expressly requested Monchito to mix a new signature drink that would delight the demanding palates of its starstudded clientele. **Bar7 serves this drink with Lychee juice.**

Manhattan 100

A popular history suggests that the drink originated at the Manhattan Club in New York City in the early 1870s, where it was invented by Dr. Sain Marshall for a banquet hosted by Jennie Jerome (Lady Randolph Churchill, Winston's mother) in honor of presidential candidate Samuel J. Tilden.

BEER

Hoegaarden (Belgian) 45

Spicy beer, with a fresh and dry aroma, and a sweet and sour palate, this is a red ale somewhat in the style of a Trappist beer, with a sourness too. It is brewed with coriander and dried orange peel, and is a live beer. The colour is a deep, vibrant ruby, with a high-rise off-white head.

Carlsberg Ex (Danish) 40

The stylish Carlsberg Export is a premium strength lager (5% ABV) with a refined and satisfying taste. Brewed to the original Danish recipe, it has deep malty notes and a distinct bitterness that which generate a full flavoured beer.

Leffe Brune 45

A medium gold colour and incredibly thick, creamy head. The nose is dazzling, with all sorts of estery, bright aromatics of herbs and spices, resins and fruits.

Sommersby Cider 45

Sommersby Cider is a refreshing, sparkling and natural cider with 15% apple juice and 4.7% alcohol. Best enjoyed on ice. Ingredients: Apple wine, sugar, concentrated apple juice, carbonation, flavours, citric acid, natural aroma and 3 different E-numbers
